JANUARY 2015

VOLUME 36, NO. 11

DISTRICT MANAGER'S REPORT

I would like to wish everyone a healthy, happy and prosperous New Year!

~~~~~

Beware of the **Green Dot MoneyPak Card Scam**. If you are asked to make a payment of any kind using a Green Dot Pre-paid Money Card:

Disconnect from the person calling, texting or emailing you.

Green Dot MoneyPak Cards are being used by criminals to steal your money.

Green Dot MoneyPak cards were designed to help customers reload pre-paid debit cards with cash, to add cash to PayPal accounts and to make payments. They are available everywhere, and you can use them to pay your phone, cable, utility or credit card bills.

Scammers have used the cards to steal money from unsuspecting victims. The bad guys manipulate and trick people into handing over card numbers and PINs, which is all the crooks need to pull cash from Green Dot MoneyPak cards.

Scammers like them because they're more convenient than a money wire, but just as untraceable. So please be Careful and AWARE!

THE NYPD URGES YOU TO PROTECT YOUR ELECTRONICS

Have you registered all of your new gadgets yet? During this holiday season, many of us received new electronic devices as gifts such as cell phones, laptops, tablets and gaming systems, etc. These are popular targets for burglars and robbers.

Help the NYPD get your valuables back to you if they are lost or stolen. Register your electronic devices with the NYPD Operation ID program.

Please call the 77th Precinct Crime Prevention Officer at 718-735-0658 or the 78th Precinct Crime Prevention Officer at 718-636-6433.

TEMPORARY ROADWAY CHANGES

As part of construction related to the Pacific Park Brooklyn (formerly Atlantic Yards) project, the following temporary changes will be made to the roadway:

1. One block of Sixth Avenue between Atlantic Avenue and Pacific Street has been converted from two-way traffic to one-way northbound only and will remain for approximately six months. Sixth Avenue will remain two-way south of Pacific Street.
2. The southwest corner of Atlantic and Sixth Avenues will be closed to pedestrians.
3. The southeast corner of Atlantic and Sixth Avenues will be reopened to pedestrians.
4. At the intersection of Atlantic and Sixth Avenues both the west crosswalk (which crosses Atlantic Avenue) and the south crosswalk (which crosses Sixth Avenue) will be closed. Those

crossing Atlantic Avenue must use the east crosswalk which will be reopened. Those crossing Sixth Avenue must either use the crosswalk at Pacific Street or use the crosswalk at South Portland Avenue.

The north sidewalk on Pacific Street near Sixth Avenue will remain closed to pedestrian traffic for another six months. No further changes to bus stop locations or parking regulations are being made at this time. Adjustments of work zones and roadway striping on Atlantic and Sixth Avenues will occur both overnight and during daytime hours and are expected to take two days/nights to complete.

This work zone roadway configuration is expected to be in place for approximately four months.

Work will occur during daytime hours, however, occasional night work may be required.

***HOPE for the HOMELESS***

On **January 26, 2015**, starting at 10:30 p.m. the Department of Homeless Services (DHS) will conduct the Homeless Outreach Population Estimate (HOPE). DHS needs thousands of volunteers to canvass parks, subways, and other public spaces to count the number of people living unsheltered in the city. Just one night of your time will assist with the collection of vital information that is used by outreach teams to help homeless people leave the streets for a better life.

The information gathered by volunteers during HOPE 2015 is critical to the City’s ongoing efforts, but they need our help to make it possible. DHS needs more than 3,000 volunteers, who are 18 years-old or older, to give just one night of their time to help count the number of New Yorkers living on city streets. They will provide you with all the training you will need to conduct the survey on the night of HOPE plus a quick, convenient online orientation when you register to give you the basics.

Hope 2015 will take place from 10:30 pm – 4:00 am the following day. This is a late night event. If you register for the MTA training site, you will need to arrive at the training site by 9pm. Sign up to volunteer for HOPE 2015 today!

For more information or to register to volunteer go to <http://www.nyc.gov/html/dhs/> or call 311
