## ART WORKSHOP

Join us for **GIRL POWER**, a hands-on art workshop experience celebrating sisterhood. The organization, **Hollaback** will bring teens together in a safe and fun setting to discuss street harassment and other challenges confronting young women in NYC. We will find our assertive voice, create powerful sayings, and participate in an art-making workshop led by artist **Tatyana Fazlalizadeh**; who will take us on a street art wheat-pasting adventure! Young women between the ages of 12-17 years of age are encouraged to participate.
